1 A - \* \* \* following a place name indicates that the place is coterminous with a MCD. A - \* \* \* indicates that the place is also a false MCD. In both cases, the MCD name is shown only when it differs from the place name.

2 A - \* \* \* following a VTD code indicates an actual voting district. Its absence indicates that the VTD is a pseudo-voting district or no information is available as to its status.

3 A - \* \* \* following a block number indicates that the block number is repeated elsewhere in the block.

The main map displays census tracts 105001 and 105002, which are shaded in light yellow. Within these tracts, several blocks are identified by red numbers: 1014, 1016, 1017, 1024, 1025, 1026, 1027, 1028, and 5001. The map also shows a blue line representing a voting district boundary. Geographic features include 'Westville' (labeled in yellow), 'Gloucester' (labeled in blue), and 'Big Timber Creek' (labeled in blue). A network of roads is shown, including 'Hones Ave' and 'Culver's Bend'. The map is bounded by coordinates: 39 875003N 75 129372W at the top left, 39 875003N 75 124468W at the top right, 39 870333N 75 129372W at the bottom left, and 39 870333N 75 124468W at the bottom right.

The scale bar consists of two horizontal lines. The top line is marked in feet, with increments of 10 from 0 to 90. The bottom line is marked in meters, with increments of 10 from 0 to 80. Below the bars, the text 'The plotted map scale is 1:1000' is printed.
